— Garment Manufacturer And Supplier —

Dear Customers and Business Partners,

We set a goal to provide first quality products to our clients by utilizing internationally valid innovative management and quality systems by the time we established Goshen, working hard for this goal everyday has led us to be one of the key suppliers of our global clients. Change and innovation which is the philosophy of our corporation takes place in our entire business processes from the outset to date. Quality management and development efforts, we started with our establishment continue today by following up technological developments closely. We are committed to providing high-quality products and services to our customers throughout the world. We strive to consistently meet or exceed our customer's expectations in quality, design, and manufacturing of our products with customer-oriented manner. Goshen has grown considerably over the last few years with your assistance and partnership. On behalf of the Goshen team, I would like to thank you all our partners for continued support. We will always maintain our determination to be the company that creates best value for our customers by continually improving our services. Goshen looks forward to working with you for many years to come.

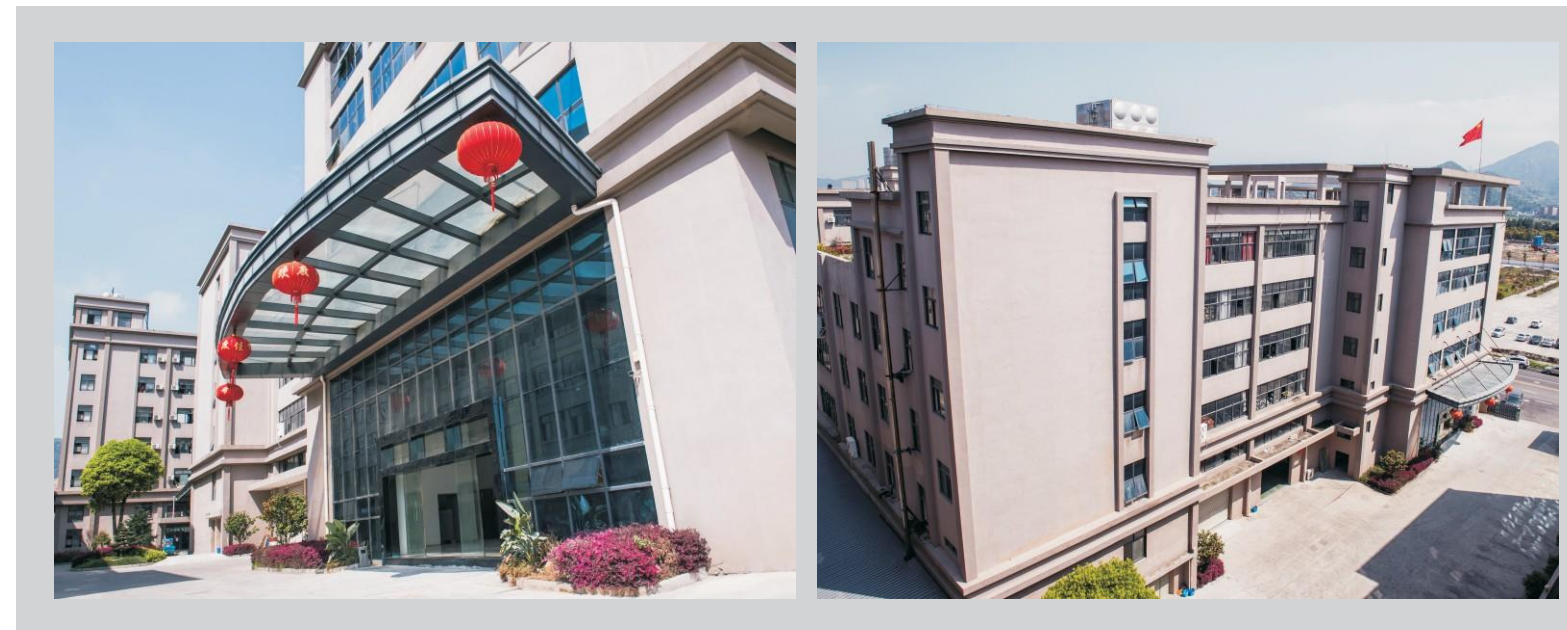

Yours Sincerely,  
Founder  
Rita Huang

## ABOUT COMPANY

Established with 20 years Garment production experience with the aim of serving its clients in a customer oriented manner in 2011, WENZHOUSHENG IMP&EXP CO., LTD is a professional Chinese outdoor wear exporter, manufacturer and Supply Management service provider located in WENZHOUSHENG city of Zhejiang province which is accepted as one of best textile and textile accessories hubs with many manufacturers.

Goshen not only has many partner manufacturers in Wenzhou and China but also has its own garment factory which is WENZHOUSHENG GARMENT CO., LTD.

Goshen's annual export volume has reached 1,500,000 units of outdoor wear in 2018.

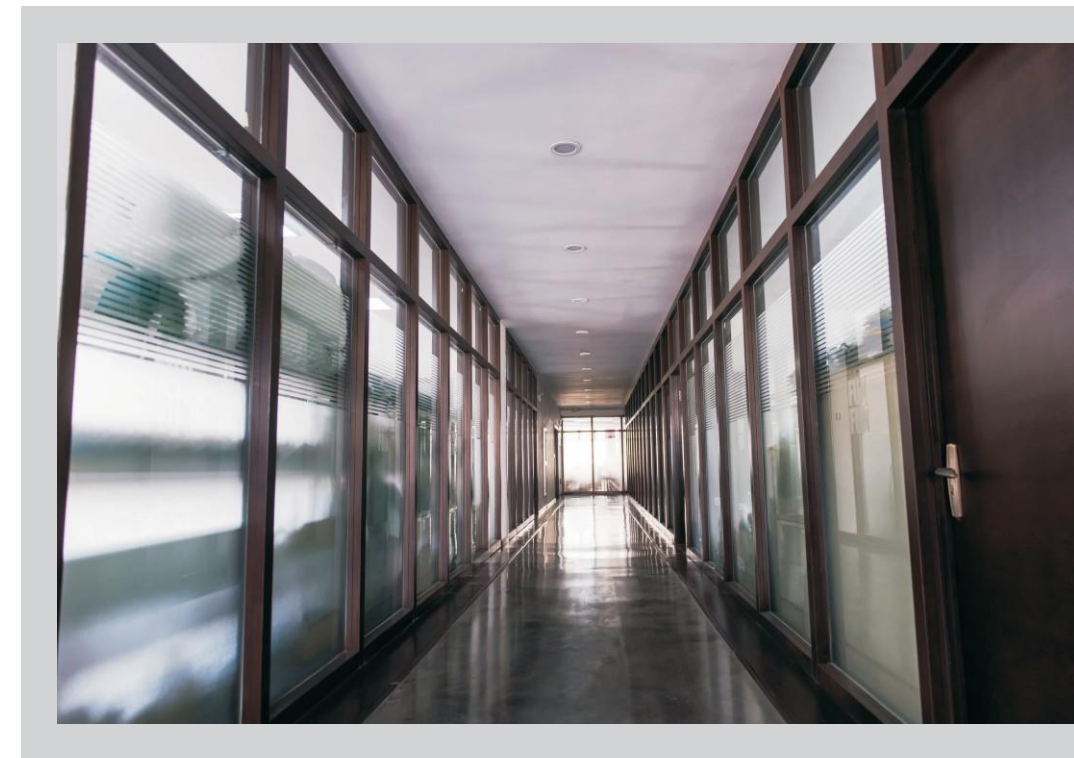

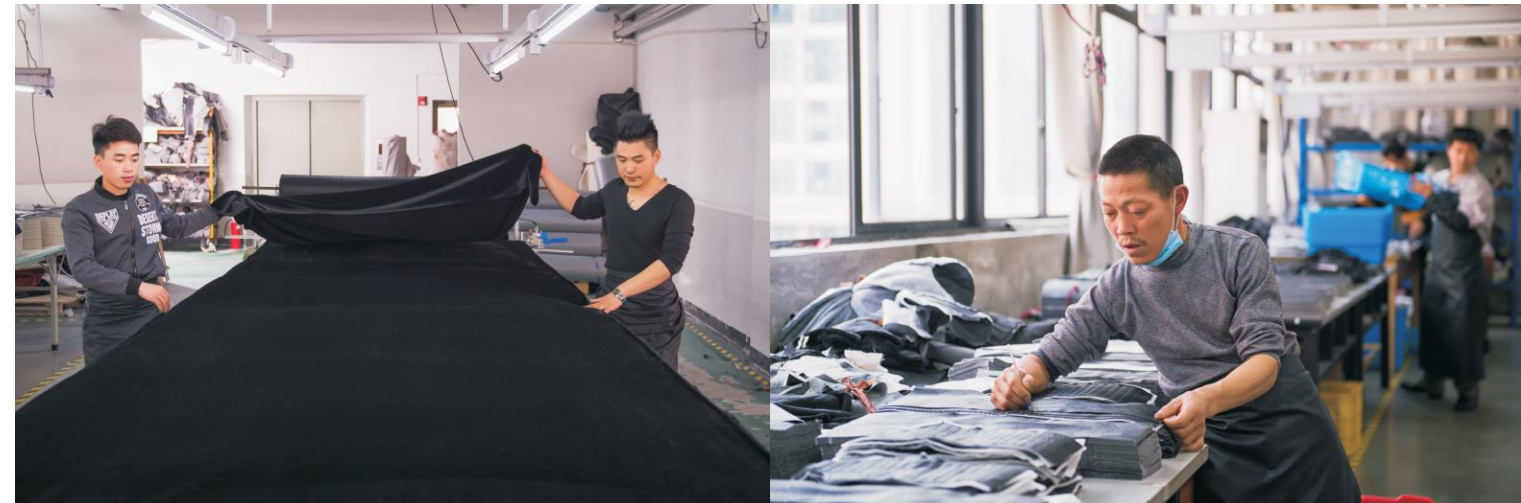

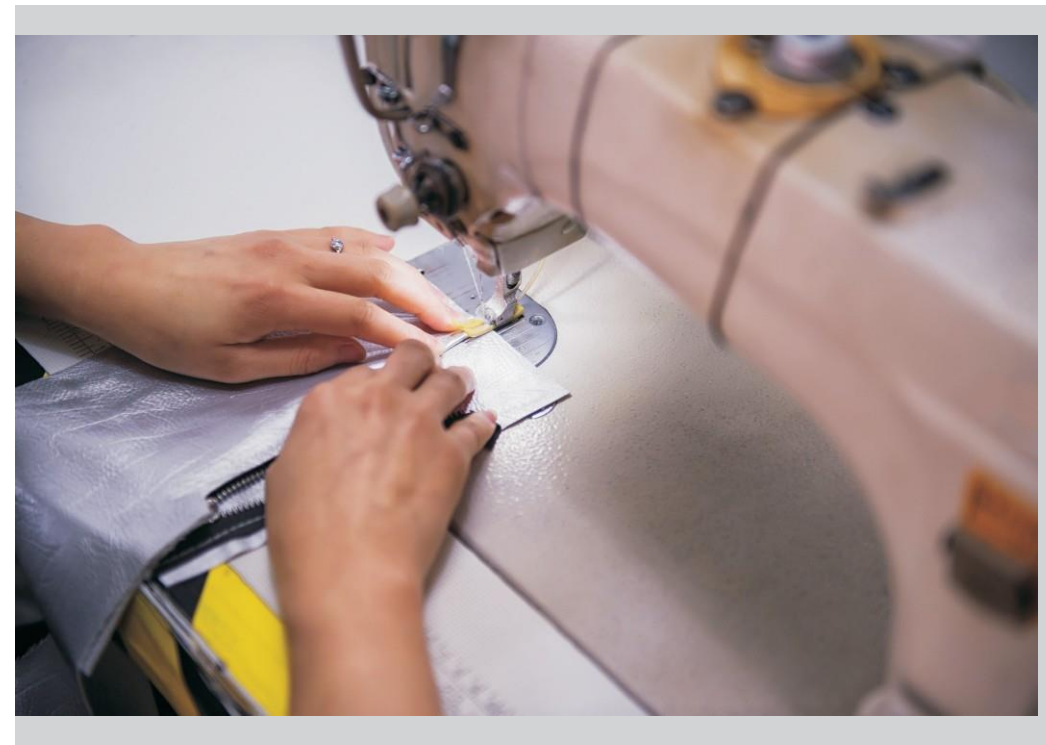

## Our Factory: WENZHOU GOSHEN GARMENT CO., LTD

Goshen has its own factory which conducts its production successfully since 2011 with the total area of 11000 m<sup>2</sup>, 1000 m<sup>2</sup> of which has been using for the R&D department.

Goshen offers all kind of outdoor wear such as Coats, Jackets, Raincoats, Parkas, Trench coat, padding coats, Vests etc. The major advantage of the company is its location in Wenzhou, deemed as the heart of the sector, as well as the ability to create special collections for its customers by the R&D department within its own organization. We have assumed the goal of being a long-term strategic partner for our valued customers in China by our qualified team, specialized in their fields and our customer satisfaction focused business understanding. We are fully assured that you also will be satisfied with the services that we are offering to the leading brands in Europe and around the world. We would like to express that we will be proud to serve your valued company.

# Wenzhou Goshen Imp & Exp Co., Ltd

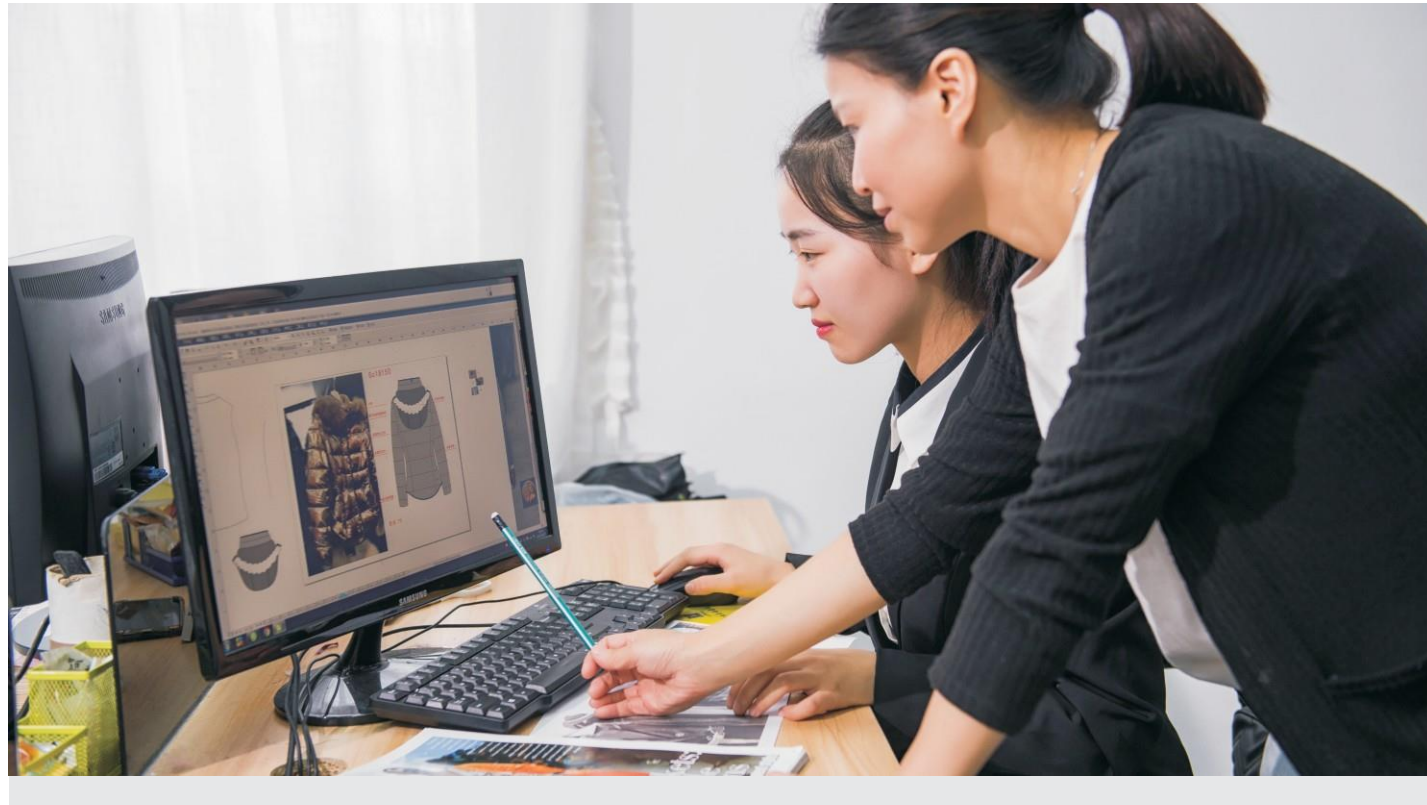

To be able to focus on customer service more efficiently, Wenzhou Goshen Imp & Exp Co., Ltd operates its merchandising activities in a separated office building.

Our Mission:

- To be the company which creates best value to our customer with the principles of
- Customer satisfaction
- Following up and exercising technological developments closely
- Production of outstanding quality
- Regular new pattern design
- Well trained work force
- Respect to the environment and human beings

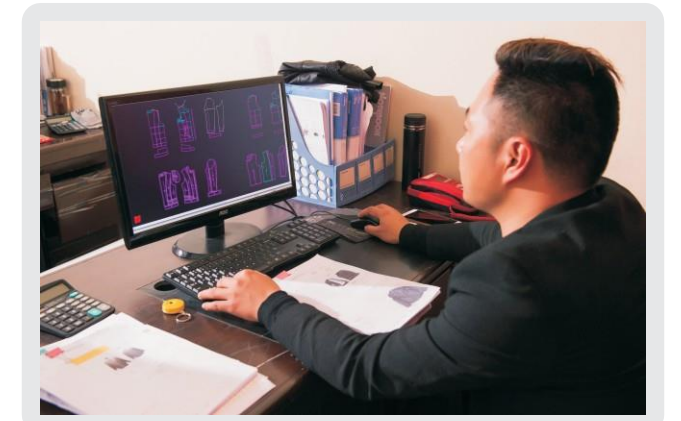

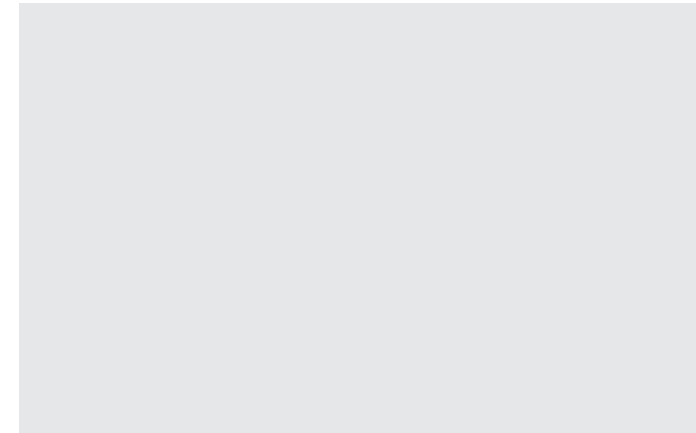

# Design Team & Sampling Room

Our designers and sampling room develop new styles throughout the year, to be able to offer the latest trend styles and support customers with collections, Goshen has created a professional product development team with great fashion spirit and independent R&D capability.

Goshen works in close contact with its customers and assists brands in creating their special collections. With the awareness of this responsibility we earnestly work to offer a collection, in a range that is even broader than what our customers have expected. We follow up on the contemporary fashion trends, create our own collections but do not limit ourselves only with the collections we have developed but also we offer those of all our partner factories styles, and thus we offer hundreds of new styles to our customers each season.

# Our Team

Our team members are our greatest asset.

Our ability to deliver outstanding results for our clients starts with our team of smart, capable experts. To be able to integrate resources and support sales and production , Goshen has established a professional team with strong teamwork spirit, clear labor division, quick customer response ability .As unique as we are individually, we share a mutual passion for garment and doing excellent work for our clients and partners. We pride ourselves on our strategic, integrated approach to garment production and the results it delivers.

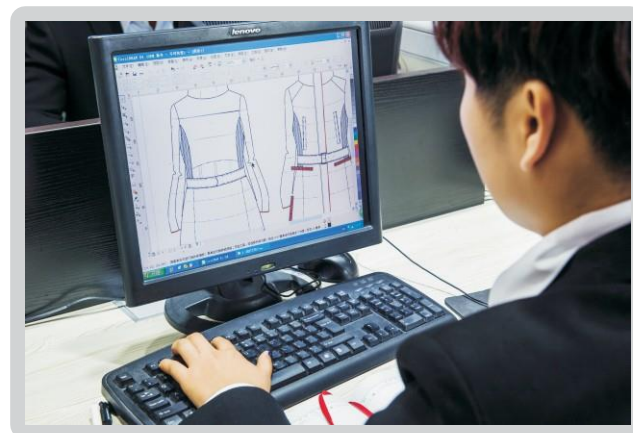

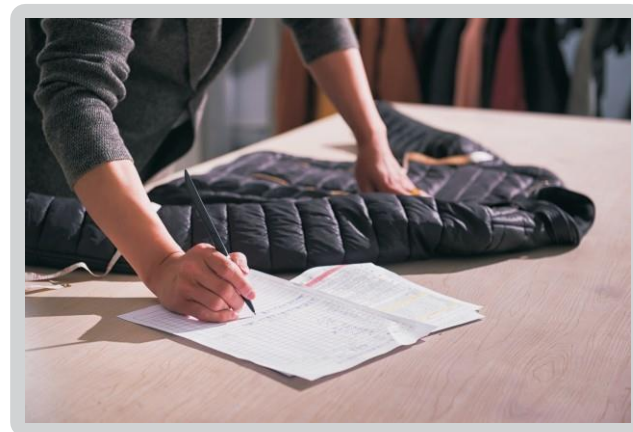

# Quality and R&D

We are aware that quality and innovation should also be continuous to meet the responsibility we have as an international production base and maintain our role which leads changes. Goshen has adopted being a structure which watches for and practices innovative changes as a principle with an awareness of continuity of quality and the necessity to manage it well and has defined this fact as 'Hunger for Quality'.

GOSHEN sees the research and development processes as the way of life of the establishment within the framework of its desire to be the 'establishment of the future' with its sustainable production and environment concept.

We place importance on R&D works to keep our production processes updated and set up an infrastructure which can integrate innovations into our structure immediately to ensure this to carry out the production of all kinds of requests with our customer satisfaction oriented business concept.
